INFORMATION FOR COURSE CATALOGUES

***Note:** This course has been articulated with Western Iowa Tech Community College. You may earn college credit through your high school course. Check with your high school counselor or instructor for more information.*

***ARTICULATION** is the process of mutually agreeing upon core competencies and performance levels transferable between institutions and programs for college credit. The purpose of **ARTICULATION** is to enable students enrolled in high school courses to transfer to the Community College and receive college credit for the competencies achieved at the high school. When you graduate be sure to check with your high school counselor and instructors so the necessary forms are sent with your high school transcript for you to gain this college credit.*
