### Course Numbers

The Iowa community colleges have a common course numbering system for all credit courses offered by Iowa community colleges. The numbering system facilitates transfer and articulation processes for Iowa community college students.

<table>

GUARANTEED
Quality of Education

Western Iowa Tech Community College believes in the quality of its faculty and staff, and in the quality of instruction and technical skill competencies the College provides to students. As an expression of confidence in this belief, WITCC has established guidelines to guarantee its graduates the technical skill competencies expected by employers and the transferability of baccalaureate oriented course credits to receiving four-year colleges and universities.

A copy of the complete guarantee statement is available on request from the Enrollment Services Office at the College.

It is the policy of Western Iowa Tech Community College not to discriminate on the basis of race, creed, color, sex, national origin, religion, age, disability, sexual orientation, gender identity, actual or potential parent, family or marital status in its programs, activities, or employment practices as required by state and federal civil rights regulation. Individuals who feel they have been discriminated against can reference the Western Iowa Tech website, www.witcc.edu, for full Iowa Codes and contacts.
Welcome to
Western Iowa Tech Community College

A CHECKLIST FOR REGISTRATION
AND YOUR ACADEMIC SUCCESS

✓ Complete and Submit Application for Admission
  • Application available in Enrollment Services (Room A300) on the Sioux City Campus, or the main office on the Denison or Cherokee campuses.
  • Apply online at www.witcc.edu.

✓ Apply for Financial Aid if Needed
  • Apply online at www.fafsa.gov.
  • Start this process early. It sometimes takes 6-8 weeks for government aid.
  • If you need assistance applying, call Financial Aid at 712-274-6402.

✓ Take any Required Assessments
  • Students with an ACT composite of 22 or higher may be exempt. Please consult with an advisor to determine if your planned program requires assessments and for referral to Testing Center.
  • Call Denison at ext. 2621; or call the main office in Cherokee at ext. 1240.

✓ Visit with an Academic Advisor or Admissions Rep
  • Interpret CPT scores, select and schedule classes.

✓ Register for Your WITCC Classes
  • Online – using the student tab on mywitcc.edu.
  • By telephone – call 712-274-6404, or 800-352-4649, ext. 6404; for Denison at ext. 2621; for Cherokee at 712-225-0238; for Le Mars at 712-546-7338.
  • In person – in Enrollment Services (Room A300) on the Sioux City campus; or the main office on the Denison or Cherokee campuses.

✓ Pay Your Tuition
  • In person; by phone at 712-274-6400, ext. 1210; or online at www.witcc.edu; or the main office on the Denison, Cherokee, and Le Mars campuses.
  • Refer to Methods of Payment and Tuition Charges on the following pages of this booklet.

✓ Purchase Books
  • Online at http://bookstore.witcc.edu
  • Bookstore hours are 7:30 a.m.–6:00 p.m. Monday-Thursday and 7:30 a.m.–5:00 p.m. Friday on the Sioux City campus.
  • Go to the main office at the Denison or Cherokee campuses.

✓ Go to Class!
Important Things to Know!

**Enrollment Tips**

**Note the start and end date for classes**
Not all classes start and end at the same time.

**Adding a class**
Students may add a class through the day of the first scheduled class session. After the first day of class, instructor approval will be required. Instructors can approve adding you to their class by e-mail to registration, registering you via the faculty registration system, or by signing an Add/Drop Form presented by you. The Add/Drop Form is available in Admissions and Advising.

**Dropping or withdrawing from a class**
The last day to drop a course or withdraw from a class is seven (7) calendar days before the last scheduled class session.

</table>

Refund and drop dates for courses with alternate start dates will be adjusted accordingly. Please consult with Admissions/Advising Office.

*Students dropping after this date will be fully charged for the course and a “W” withdrawal grade will be assigned on the official transcript.

**Dropping or withdrawing from a class**
- The last day to drop a class with 100% refund/without earning a grade varies by course (see chart)
- The last day to drop a class without earning a grade is seven (7) calendar days before the last scheduled class

**IMPORTANT**: Courses cannot be dropped via the web on or after the start date of the course. Students must contact Registration or an Admissions Advisor to drop the course.
**Methods of Payment**

- **Payment in Full**
  Pay in person, by phone, or online under “Finances” on https://my.witcc.edu. Pay by cash, check, or credit card.

- **Payment by Financial Aid**
  Approved financial aid will be transferred to your account. Start this process early. It sometimes takes 6-8 weeks for government aid.

- **Payment by Third Party**
  If sponsored by an agency (JTP, Vocational Rehab, etc.), sign the invoice and return it to Student Accounts (Room A526).

- **FACTS Tuition Payment Plan**
  Flexible monthly payment option – apply online by selecting “Payment Plan” under “Finances” on https://my.witcc.edu.

**SPRING 2020**

Enrollment on e-Cashier is available beginning October 11, 2019 to January 16, 2020. Full payments may be made on e-Cashier through January 16, 2020. Payment in full or payment arrangements (including automatic payment plans) are due by the first day of class.

*Dates subject to change.

**Tuition Charges**

Tuition and course fees may be changed without notice as the State Legislature and the Board of Directors of Western Iowa Tech Community College deem necessary. Tuition for Spring 2020 is listed below. Subject to change.

- **Online Tuition & Fees** $184/credit hour
- **Iowa Resident Tuition** $153/credit hour
- **Non-resident Tuition** $154/credit hour
- **U.S. Student Fees** $32/credit hour
- **International Student Fees** $67/credit hour

Course fees (CF) are a one-time cost and are listed by course
Financial Aid Policies

Aid Lock Date
For financial aid purposes, your official enrollment status is determined by the number of credit hours for which you are enrolled on the aid census date. Therefore, the addition of coursework after the census date will not increase your aid. The aid census date for Spring 2020 is January 31, 2020. For an initial registration after the lock date, awards will be calculated and locked simultaneously. Failure to participate in a class may change your enrollment status and result in a reduction of awards.

Consequences of Withdrawal and Financial Aid
A student receiving federal financial assistance may have his/her financial aid adjusted based on his/her date of official or unofficial withdrawal. (See college catalog for procedures for withdrawing from school.)

Procedure for Repaying the U.S. Government
If you owe a repayment of grants to the U.S. Government, you will remain ineligible for federal aid until you resolve your repayment. If you owe a repayment for grants received at WITCC, it may be possible to resolve your repayment at the Student Accounts Office. Contact the Student Accounts Office for details.

If you do not contact the Student Accounts Office within 15 days of receiving notice and schedule your repayment, you will be turned over to the U.S. Department of Education for collection. If you are referred to the Department of Education, you will remain ineligible for federal aid until the college receives notice from the Department of Education that you have re-established your eligibility.

Carefully read all correspondence received from WITCC in case there is a change in your financial obligation to the college or your financial aid eligibility.

If you have any question about the effect of the Return of Funds to the federal aid programs, contact the Financial Aid Office.

Americans with Disabilities Act (ADA)
If you have a disability, contact Michelle Fiechtner, Disability Services Coordinator, at 712-274-8733, Ext. 3216, for an appointment. She is available to discuss reasonable accommodations which might be of assistance to you.

Courses with Online (courses taken completely online), VPC (courses taken will have a video presence: multiple classrooms with two-way video/audio with an instructor at one of the sites), or Hybrid (courses with both a classroom and an online component) next to the instructional delivery denote delivery method.
Online Courses

All online courses will be taught entirely online. HYBRID courses will be a combination of face-to-face and online instruction. These courses are delivered via the ICCOC, www.iowacconline.org. ICCOC offers such features as: audio, video, testing, gradebook, and collaborative work environments, including threaded discussion groups, real-time chat rooms, PowerPoint presentations, document sharing, and webliographics.

Is Online/Hybrid Learning for You?

Q. Do you have the necessary self-discipline and motivation?  
A. Yes . . . if you make it a priority. Although the courses have more flexibility and freedom, it is up to you to keep pace with the classes and complete assignments.

Q. Do you have time management skills that will allow you to schedule specific times to work on your online course?  
A. Yes . . . if you understand that online courses require as much, if not more, time as traditional courses. It is important that you set aside extra time to meet the requirements of the course.

Q. Do you feel comfortable expressing yourself in writing?  
A. Yes . . . if you are capable of putting your thoughts into grammatically correct, written statements and/or essays. Typing skills are very valuable in an online course.

Q. Will you miss face-to-face interaction and the traditional classroom in an online course?  
A. Not at all . . . if you acclimate yourself to interacting online. Essentially, you’ll be working in a “virtual environment” much like using e-mail, discussion groups, and chat rooms.

Q. What is a “hybrid” online course?  
A. A “hybrid” online course combines face-to-face classroom or lab instruction with online learning. In a hybrid course, a significant part of the course learning is online and, as a result, the amount of classroom seat time is reduced. You will attend meetings on campus during the dates and times listed in this schedule of classes.

Q. What computer skills are necessary for online/hybrid courses?  
A. All you need are the basic skills such as word processing, downloading software, using a Web browser, etc.

Q. What are the technical requirements for online/hybrid courses?  
A. Of course you must have access to a computer and an Internet connection. The chart below gives you a quick summary of the minimum computer system features required to take the web courses.

Minimum Computer System Requirements

Different courses may have different requirements. We strongly recommend that you check this website prior to registering so you are certain you have what you need for a given course.

Technical requirements may be found at https://secure.ecollege.com/iowacc/index.learn?action=technical

College Experience Class

SDV-108, The College Experience, is a one-credit, pass/fail course. This course introduces students to the college’s expectations, environment, and resources so that students may become more competent participants in the learning process. The College Experience allows students opportunities to learn about WIT policies and procedures that will impact them. They also learn about acclimation to college, financial aid, campus security, self-advocacy, learning styles, study habits, student activities, and much more. It is highly recommended that a student enroll in The College Experience during his or her first semester of college. The College Experience, SDV-108, is a required course for all new, degree-seeking students. All students will benefit from SDV-108; however, some students are not required to take the course based on certain qualifications, see your academic advisor for information.
