Western Iowa Tech Community College establishes this Board Policy to comply with the laws of the State of Iowa and to protect speech and expression at this institution:

1. That the primary function of an institution of higher education is the discovery, improvement, transmission, and dissemination of knowledge by means of research, teaching, discussion, and debate. To fulfill this function, the institution must strive to ensure the fullest degree of intellectual freedom and free expression allowed under the first amendment to the Constitution of the United States.
2.
  - a. That it is not the proper role of an institution of higher education to shield individuals from speech protected by the first amendment to the Constitution of the United States, which may include ideas and opinions the individual finds unwelcome, disagreeable, or even offensive.
  - b. That it is the proper role of an institution of higher education to encourage diversity of thoughts, ideas, and opinions and to encourage, within the bounds of the first amendment to the Constitution of the United States, the peaceful, respectful, and safe exercise of first amendment rights.
3. That students and faculty have the freedom to discuss any problem that presents itself, assemble, and engage in spontaneous expressive activity on campus, within the bounds of established principles of the first amendment to the Constitution of the United States, and subject to reasonable time, place, and manner restrictions that are consistent with established first amendment principles.
4. That the outdoor areas of campus of an institution of higher education are public forums, open on the same terms to any invited speaker subject to reasonable time, place, and manner restrictions that are consistent with established principles of the first amendment to the Constitution of the United States. "*Outdoor areas of campus*" means the generally accessible outside areas of campus where students, administrators, faculty, and staff at Western Iowa Tech Community College are commonly allowed, such as grassy areas, walkways, or other similar common areas.

## **Protected Activities.**

1. A member of the campus community who wishes to engage in noncommercial expressive activity in outdoor areas of campus shall be permitted to do so freely, subject to reasonable time, place, and manner restrictions, and as long as the member's conduct is not unlawful, does not impede others' access to a facility or use of walkways, and does not disrupt the functioning of the college. The college may designate other areas of campus available for use by the campus community according to institutional policy, but in all cases access to designated areas of campus must be granted on a viewpoint-neutral basis within the bounds of established first amendment principles.
2. Noncommercial expressive activities include but are not limited to any lawful oral or written means by which members of the campus community may communicate ideas to one another, including but not limited to all forms of peaceful assembly, protests, speeches including by invited speakers, distribution of literature, circulating petitions, and publishing, including publishing or streaming on an internet site, audio or video recorded in outdoor areas of campus.

In addition, the college will not deny any benefit or privilege to a student organization based on the student organization's requirement that the leaders of the student organization agree to and support the student organization's beliefs, as those beliefs are interpreted and applied by the organization, and to further the student organization's mission. If this college places such restrictions, it shall provide for ample alternative means of expression.

2. Except as provided in this Policy, and subject to reasonable time, place, and manner restrictions, this college will not designate any area of campus a free-speech zone or otherwise create policies restricting expressive activities to a particular outdoor area of campus.

3. Nothing in this Policy shall be construed to grant individuals the right to engage in conduct that intentionally, materially, and substantially disrupts the expressive activity of a person or student organization if this college has reserved space in an outdoor area of campus for activity by the person or student organization in accordance with this Policy.
