

Dear Comets!

Welcome to the new academic year at Western Iowa Tech Community College! We're excited to have all of you with us; whether you are on campus, online, or at your high school, you are an important part of our community. We encourage you to immerse yourselves in your college experience by participating in activities, attending athletic events, and exploring the resources available to you.

This summer, the College worked hard to enhance our facilities for your learning and growth. You'll find the newly renovated Comet Learning Center, now featuring dedicated tutoring spaces and three new group study rooms. We believe these improvements will significantly support your academic success.

Additionally, we've created a brand-new outdoor patio just outside the Coffee Spot near Entrance 3. This inviting space is ideal for relaxing, enjoying coffee, or connecting with classmates between classes.

In our Sioux City nursing program, we are thrilled to introduce new simulation rooms equipped with control rooms and debriefing areas, enhancing your learning opportunities and practical skills.

As we begin this academic year together, let's embrace growth and remain open to new possibilities. While change may bring excitement and uncertainty, it also offers us the chance to innovate and reimagine what we can achieve together.

Remember, success is a journey, not a destination. Stay focused, manage your time wisely, and lean on the resources available to you, such as tutoring, counseling, the health clinic, and more. You are never alone at WIT; we are here to support and uplift you.

I want to extend a warm welcome to our new faculty and academic team members joining us this fall:

- Jacob Moos, Business Instructor
- Dianna Dunlap, Nursing Instructor
- Jessica Praster, Nursing Instructor
- Jim McCrystal, Police Science Instructor
- Lauren Tabbert, Program Coordinator Physical Therapist Assistant

These improvements and additions are just the beginning. Welcome back, and here's to a successful year ahead!

Thank you!

A handwritten signature in black ink, appearing to read 'Lindsay'.

President Lindsay
