How to Submit WITCC Clinical Health Evaluation

Scan all information as a PDF document and e-mail to: Marilyn.West@witcc.edu. The weekly deadline is 12 noon Friday. All information received by the weekly deadline will be reflected in a class update sent to your instructor the following Monday morning.

Mercy Business Health

To: All WITCC Health Occupation Students

From: Marilyn J. West RN BSN

To provide a safe and healthy environment for you and those you will come in contact with, you must submit a completed WITCC Clinical Health Evaluation prior to your first day of clinical. You will not be cleared to participate in clinical until your WITCC Clinical Health Evaluation is complete. Below are answers to the most commonly asked questions. If you have any further questions, please feel free to contact me at Marilyn.West@witcc.edu.

Student Information

Be sure to answer and then sign all personal information on the top of the WITCC Clinical Health Evaluation.

Health Care Provider Complete The Following

This part of your WITCC Clinical Health Evaluation is to be completed by a medical doctor, a nurse practitioner or a physician's assistant. No other forms will be accepted.

Measles/Mumps/Rubella (MMR) – You will need to provide one of the following:

- two vaccination dates.
- positive titre for measles, positive titre for mumps and a positive titre for rubella.

Tetanus/Diphtheria/Pertusis (Tdap) – A Tdap is current for 10 years.

Chickenpox – You will need to provide one of the following:

- two vaccination dates.
- positive titre.

Hepatitis B (Hep B) – You will need to provide one of the following:

- vaccination dates.
- positive titre.
- signed decline form.

Tuberculosis - You will need to provide one of the following:

- Tuberculosis Skin Test (TST) – An initial baseline two-step TST is required. The second TST can be given one week to one year after the first TST as long as the first TST has not expired. A TST is current for one year. The first and second TST must be turned in before the start of clinical.
- If you have had a past positive TST, you will need to provide documentation of a negative chest x-ray. If the negative chest x-ray is more than one year old, you will also need to turn in a TB Symptom Assessment form.
- Negative TB QuantiFeron.

Please make sure that you keep a copy of your WITCC Clinical Health Evaluation for your own records. In the future, a copy will not be made available to you!
